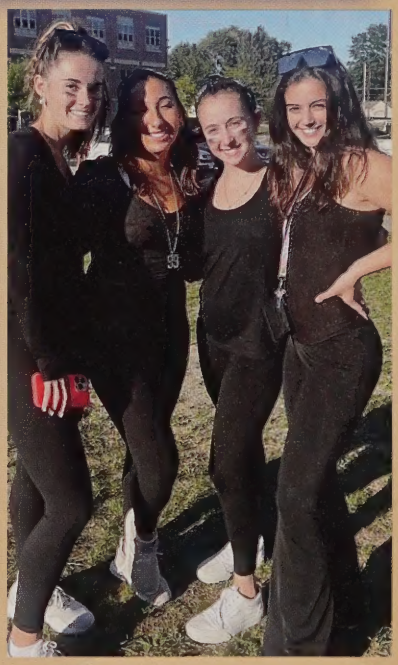
I will always remember "The friends and memories I made, and the sheer struggle that was Biology."
- Regan Hegarty

Walpole High School's mission is to foster learning through a collaborative process that engages students, educators, and the community. This endeavor provides opportunities for students to acquire knowledge and to develop skills in order to achieve academic and personal goals. We will make every effort to graduate all students as successful and literate members of society – and be able to succeed in the increasingly complex world in which they will live and work.



"I will remember the friends who picked me up during tough times and were always by my side no matter the cost."
- Yashdeep Kalra

Cheerleading

Walpole Cheer is all about trust, perseverance, and a strong work ethic. Th Cheerleading team has formed an unbreakable bond in and out of practice Having the same goals and willingness to work together sets the team up fo success. Cheer represents Walpole through being respectable people in an outside of school and showcasing Walpole through the way they act. This yea there is younger talent on the team, which makes room for great improvement Cheer is about more than just toe baskets and extensions libs that go int coordinating stunts. Things like making counts, visualizing the fin performance and having the right mind set, and seeing things out before doin them, is all part of the hard process. This past season has been full of hard fought wins and chances for the Walpol Football team to grow closer. The returning seniors did an exceptional job at leadin the everyone to a dominant 7-1 season. Though a high amount of injuries occurre the younger players stepped up and contributed to hard fought wins against team like Natick and Wellesley. When asked what the team's strongest point of the seaso was, captain Michael Welter answered, "We haven't peaked yet. All of this was jus a warm-up for playoffs." With their great record, the Timberwolves were fifth see in the playoffs and beat Somerset Berkley (5-3) at home; however, they lost t Hanover in an extremely close game the following week to end the season.

Boys Soccer

This year Walpole High's varsity soccer team had an amazing season. From their first game of the season to their last, no matter if they won or lost, the team put in 100% of their effort and skills, and it showed. Walpole's first game of the season was against Weymouth and they beat them 4-2. Senior Myles Campbell believes "Every second counts". One of Walpole's highlights of the season was when Byran Hope scored his first varsity goal after 3 years on the team. Another highlight was when Walpole went on to beat Bishop Feehan 4-0 on Bishop Feehan's homecoming day. Of course with all of those highs, there were some lows. Due to an injury, Walpole lost one of their captains for most of their 2022 season. Walpole also had a total of 9 ties their whole season. Senior captain Will Richer states, "It's hard being so close to tasting victory and falling just short." Even with all the trials and errors, Walpole continued to work hard and, in the end, had an impressive season.

This year was a rebuilding year for Walpole Girls Soccer. The majority of the starters were sophomores and one freshman, Bella Bingham. Senior captain Brooke Walonis states "Gabriella Villeneuve and Addison Wyzanski were a huge part of our defense this year and various other players stepped up all over the field". Playing together as a team helped them win their first game against North Middlesex 5-0. This game was one of the first that the team stepped up all together and connected very well. The following 5 girls scored during this game: Bella Bingham, Brooke Walonis, Riley Schultz, Mischa Potter, and Dana Massey. Girls Soccer made it to the playoffs and played against Mansfield. With most of the team returning next year,The team looks forward to the season next fall.

This year, Walpole's Swim and Dive team had a challenging season due to smaller numbers, but became united by spending time outside of practice at weekly pasta dinners, the drives to practice, and Scream Fest. Although they had a rocky start, Walpole was able to beat Weymouth at the last meet of the season. Senior Captain Caitlin Rocha said,"losing [meets] motivated people to always try their best in practice, leading to a better performance during meets." Walpole has some up and coming talent for next season: freshman Faith Cullen made it to sectionals and states for the 100m butterfly, and Caisa made it to states for diving. Next year, some of the seniors will be participating in club Swim and Dive, and Senior Captain Emily Rose will be on Stevenson College's Swim and Dive team.

The Timberwolves at the beginning of the season had low expectations however, by the second half, the team really came together. When asked wha their strongest point of the season was, senior captain Alison Gusmini stated "Our strongest point was the second half of the season when we were playing together very well and consistently giving 100% effort in practices and games" While it looked grim, the second half culminated with a close win over Braintree in the final game. Even though they went 3-5, the team showed a lot o camaraderie during games and practices according to the captains. With only 3 seniors graduating, they are looking forward to a stronger season.

Boys Basketball

Over the years, the Boys Basketball team has been determined and collectively worked together on the offensive and defensive philosophies, to hold each other accountable. With the determination they had as a team, they faced any obstacles, that got into their way. They kept their expectations and energy level high, which held them together as a team. Coach Jenner Galster stated, "My favorite games were the Bishop Feehan games. They were two tough games with exciting finishes!" The senior captains hope to see other players keep up with their dignity, passion and determination for upcoming seasons. The team ended the regular season with a record of 10-10, which earned them a spot in the playoffs, where they made it to the round of 16.

Boys Track

As the fall season comes to a close the Boys Track team doesn't stop. They continue inside with new members where they are just as strong. The boys have kept their spirits high with memories such as the Bay State Conference Championship meet where they rose above the opposing teams. Even with their wins came losses, but Coach Coogan motivated them to keep moving forward. Over the season the boys have gained many core memories, including team dinners where they would all come together, and the bus ride to and from the school where they would sing the National Anthem. One of the team's senior captains said that a big win for the team has been beating Brookline and Weymouth. He additionally stated that "playing these teams meant the score is bound to be close. Girls Track

The Walpole Girls Winter Track team is a very supportive, hard-working, and passionate team. According to Captain Lorelei Lee, "All the other hurdle girls helped me through the season, they were always so supportive and enthusiastic each day at practice and really helped me look forward to practice." The girls' most memorable moments were the team dinners, which helped them bond and become closer as a team. Some things that helped them throughout the season were looking back at when they first started track and seeing where they are now. The girls stayed positive, which helped them become better runners throughout the season. A highlight of the season was when senior Sophia Axelrod broke the shot put school record with a throw of 32'4.75. Wrestling

This past season was another rebuilding year for the Wrestling team, with the team still recovering from multiple senior leaders graduating, a switch of head coaches, and Covid heavily affecting the sport in the past two years. This year however, a lot of wrestlers looked promising with some of the experienced guys like Logan Murphy becoming fourth in the state. When asked about the team's performance this year, Junior captain Stephen Hutnick stated, "While we did under perform this season, a lot of us are going to put in hard work during the off season and subsequent years." Their 1-19 record this season may be an eyesore, but the team is working hard to be more successful in subsequent seasons.

Extracurricular Clubs

Creative Writing

The Creative Writing Club meets every other week under t leadership of Mr. Salmans. During meetings members peer edit the clubmates' works, in hopes to have the best in the Literary Magazi by the end of the year. Members are oftentimes guided by promp that lead to hilarious stories and inside jokes that are remembered f weeks to come. In between meetings members work diligently to crea moving poetry, short stories involving complex worlds and character as well as full fledged books.

Dance Company

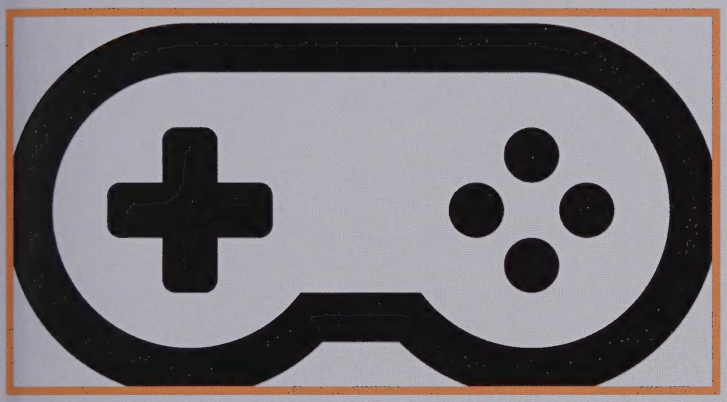
This year the Dance Company has worked hard to put on a show with the theme of "Dreamstate." This year the team has 11 girls and are working their way up to show month! They meet three times a week to learn more choreography brought in by students. The company has given teammates Leah Clifford, Brooke Buckley, and Sophie Murry chances to show their creative sides. Richard Kim, founder of dance company, states "It really truly is a unique program." Kim wanted to create a program to let dancers show their talent and have a place to be themselves. Years later the torch of leading dance company was given to Alyssa Tempesta and Laura Barajas, former dancers for WHS dance company.

D&D Club

This newly established Dungeon and Dragons club was crea this year. They meet on the first Wednesday of each month w Mr. Bergeron. This club is inclusive as all players, experienc or not, are welcome to join and build a world of their own. D club was founded in order to provide a collaborative spa where players can use their creativity to build and join adventure within a world that they brought to life! The play form an adventuring party that explore fantasy worlds togeth and embark on epic quests to level up in experience.

Drama Club

Valpole High School´s Drama Club has been around for many ears and has recently taken in Ms. Nutting, the chorus irector, as their advisor. The Drama Club meets because they elieve that drama is fun. When preparing for upcoming erformances, they meet almost every day after school for three) four hours. This year has been a good one as they are resenting You're A Good Man Charlie Brown in the fall and ouble Double in the spring.



Gaming Club

The gaming club was formed 6 years ago with the purpose of bringing people who play video games together. Gaming Club still holds up to that initial goal. Currently, the club has a small community but still accepts anyone willing to stay after school on Tuesdays. Each member is encouraged to bring a game or console; however, nothing is explicitly needed as there are also board games that are available.

GSA

'he Gender Sexuality Alliance Club is a safe space for members f the LGBTQ+ and their allies. They have created a omfortable space in which they can be open with each other bout issues in the LGBTQ+ community. The group meets every londay in their advisor Ms. Williamson's room. Student leader eghan O'Connell has organized yearly school environment iscussions and has strived towards hosting a parent and ommunity education night. This meeting will give families and he community a new perspective on the future of the LGBTQ+ ommunity.

Investment Club

The Investment Club, led by faculty advisor Ms. Fontaine, meets once a month to discuss and learn about the stock market. Co-presidents Bernard Lessard and Rex Blakley lead discussions ranging from how to start investing to the current trends in the stock market. The members of the club participate in a virtual game that allows them to experiment with the stock market in a safe and interactive environment. They compete with each other to see who can earn the most money by the end of the year.

Extracurricular Clubs

Latin Club

The Latin Club has a long history here at Walpole High. Under the leadership of Mr. Bakale, Mr. McCluskey and Mrs Kay, the Latin Club brings students on field trips and events exploring culture and traditions. Student leader Madilyn Cataloni has done a great job at making sure that the club meets the second Monday of every month to plan and discuss the events they hold. This year The Latin Club has managed one event, a trip to the Boston Museum of Fine Arts. Walpole High's Latin club has done a great job throughout the years informing and entertaining it's members and will continue to impact the lives of students and staff for many years to come.

Math Team

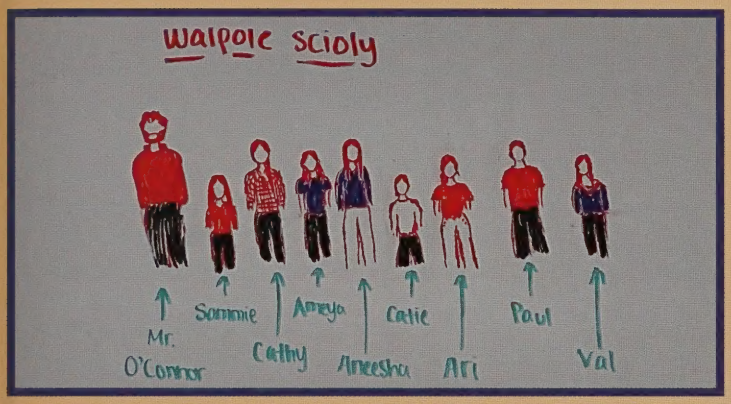
Walpole's Math Team, led by Mrs. Milne, competes in the SMML (Southeastern Massachusetts Mathematics League), which is composed of 35 teams divided into six geographic regions. The team is led by student leader Sahithi Gollakota along with other seniors Ivy Li, Katrina Li and Shannon Morris. There are four regular season meets in which each school has two teams of five competing. Top scorers are senior captain Sahithi Gollakota and freshmen William Fezzie and Daniel Le. Walpole headed into the final regular season meet in 9th place, and ended the season in 11th place.

Morning Announcements

The Morning Announcements Club at Walpole High School puts on a live news production almost every day. Led by staff advisor Mr. O'Farrell, the club gets news out to the school like upcoming school events, and club meeting times in a more interesting way. A student favorite "Ambush News", is a new addition to the morning announcements this year, in which TV students interview random student bodies in the hallways asking them questions in reference to relevant holidays or events. The Morning Announcements continues to keep students engaged in hearing current WHS news and events.

Prom Committee

The Walpole High Schools Prom Committee, led by faculty advisor Ms. Allison, designs the Junior-Senior Prom. The Committee meets once a month at the beginning of the year, but more frequently as it gets closer to date. The Prom Committee was founded so students have a voice in what kind of prom they want. This year's student leaders Sheila O'Connell, Danika Marascio, Sophia Kaselis, and Caitlin Crowley helped to choose the theme, colors, table centerpieces, invitations, menu, etc. They also organize ticket sales and create spreadsheets for attendance, seating, allergies, and guests of WHS students.



Science Olympiad

Science Olympiad, led by Mr. O'Connor and student leaders Samantha Le and Catherine Furlong, compete against other Massachusetts high schools in competitions of engineering and science. They compete in events involving Forensics, Robotics, Ecology, Biology, Physics, Astronomy, Anatomy, and Chemistry. Competitions are held once a month with States in March, where they competed and placed in the top 25% in five events! The team hosted their first event at Walpole High this year. Mr. O'Connor loves "helping these brilliant kids prepare, build, and get to these science battles to go beat up nerds from other schools -- with knowledge, of course."

Spanish Club

The Spanish Club is one of the many language clubs here at WHS. Led by Señor Sturges, the purpose of the Spanish Club is to bring Spanish Culture outside of just the classroom. During the meetings, members play fun Spanish games such as Spanish bingo, scavenger hunts, trivia, karaoke, and alfabeto. Additionally, Señor also sets up activities such as piñatas, Boston trips, and ensures that members are always supplied with chips, salsa, and other Spanish treats. Seniors William McLellan, Nicole Martin, Toby Moses, Charlotte Herlihy, and Anna Skypeck act as student leaders within the club.

Red Cross

The Red Cross club is a new club this year and works alongside STUCO to raise money for charities such as Totes of Hope and have planned a blood drive here at WHS. Mr. Yurgold states "our initiative is to help serve and improve our community's well beginning". Club president, Sammie Le, wants to "provide support to those suffering in our community". They recently had a bake sale for Totes of Hope and continue to plan other events to support our local Red Cross Unit.

MULTICULTURAL ALLIANCE

The Multi-Cultural Alliance, headed by Mrs. Jesenia Burke, is a safe space within the Walpole High School community that allows students and staff to come together and form a connection by building an ongoing school-wide exchange of cultural awareness practices. The Multi-Cultural Alliance is organized as a student-led space that meets twice a month on Wednesdays or scheduled lunch times. Students who take on roles of leadership are President Lilyana Hernandez and Vice President Richelle Andam. They will facilitate the intent of the club, which emphasizes the fostering of supporting student voice, building student-staff connection, creating and promoting annual school-wide cultural events at WHS that highlight the diversity and array of culture present within our school.

STUCO

Walpole High's Student Council is a very respected and important club that holds lots of meetings and events throughout the school year. The student leaders, Marcus Gurtowski and Sabrina Abate, do an amazing job holding the whole club together with help from the staff advisor, Kerry McMenimen.The executive board meets every two weeks to plan, and discuss said events, and the whole council meets once a month to discuss any updates and upcoming events. The club was founded because Walpole High realized how much the school would benefit from student leadership. So far this year the student council has put together the Cornhole tournament, spirit weeks, and the wall of hope.

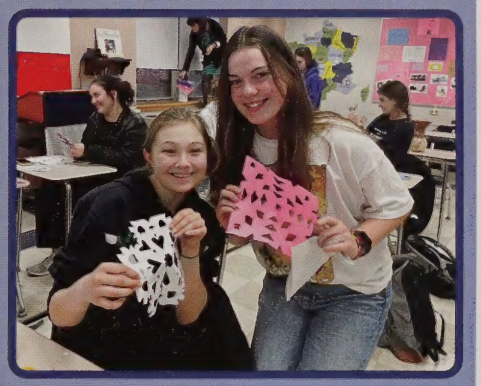
Art Club

The Art Club at Walpole High School meets every Thursday afternoon and is run by Mr.Bergeron. During the year, the Art Club has positively committed itself to spread joy and happiness amongst the community. The Art Club spends their time together creating fun activities and projects. Things they have done for the community include making a photo stand for the pumpkin sale and decorating a Christmas tree given to the Senior Center. The Art Club is focused on the positive attributes that each student provides and bringing art to the Walpole community.

Community Service Club

The Community Service club, hosted by Ms. Fallon and Ms. Wick along with its graduating seniors, Danika Marascio, Sheila O'Connell and Sophia Kaselis was founded in order to give students the opportunity to volunteer for basic needs of the community. Students work together with more diverse people, which gives them a sense of social awareness. The club met every Tuesday and Thursday after school to discuss various events such as clean up activities, Uncommon Art on the Common, UNICEF trunk and treat, Diwali Celebration and some other volunteer opportunities, like helping with Parent-Teacher Conferences.

Random Acts of Kindness



The Random Acts of Kindness Club, hosted by Ms. Frattasio, works to spread kindness and encouragement in and out of WHS. They previously have made gift baskets to show their appreciation for school staff. RAK plans to go to the senior center where they will play games, do crafts, and just be there for someone to talk to. Student leaders, Mia Coleman and Mary Lou Jennings, take charge of the meetings and often lead the activities they have planned. They continue to brighten up the school by leaving kindness rocks and inspirational quotes to inspire fellow WHS students.

UNICEF

According to faculty advisor Ms. Hackett the UNICEF Club was founded "so people could help children in need through the UNICEF organization." This club is led by student leaders, Maddie Cataloni, Sophia Connor, Ciara Foley, Rachel McDonough and Sandhya Moorthi. During their monthly meetings members pitch fundraising ideas, and work to come up with ways to make pre-existing fundraisers better. As they start to get closer to fundraisers, they utilize their meetings to better prepare. They make posters, get in small groups, finalize ideas and much more. Events and activities that the UNICEF club organizes include the Trunk or Treat Fundraiser, Bake Sales, a book drive and an Easter Egg Fundraiser.

French Club

According to staff advisor Ms. Frattasio, "This club was founded for things you can't do while in the classroom and to enjoy the culture since they can't have field trips during the school day." The French Club is led by student leaders Zoe Jagelski, Reilly Raynal,and Gabrielle Villeneuve who contribute and plan club events, as the club advisor Ms. Frattasio wants the students input. During their meetings they plan their events; they like to travel to places that are related to French culture such as bakeries and museums. They organize these events during their meetings so that they are able to enjoy French culture.This year they were able to go on a field trip with the Spanish Club, which was a great opportunity for the clubs to be together.

THE SEARCHLIGHT

According to editor-in-chief Kristyn Dentremont, "The Searchlight is a student-run newspaper and online website that spotlights student writing about various topics that pique their interest, such as global and local news events as well as sports and athletes, moments in pop-culture, trending online topics, and hot-take opinions about whatever they are most interested in. The Searchlight fosters an environment for students to freely express their thoughts and study the art of sophisticated yet passionate writing that is known as journalism". Ms. Ferguson and editors-in-chief, Kristyn Dentremont, Sophia Brownsword, and Isabelle O'Connell "play a large leadership role in class" along with the other content editors and staff making the publishing, editing and production of online and paper articles possible. The Searchlight strives to represent the student body and life at Walpole High School each year.

"The Searchlight to me represents a family I found within the school. The supportive and creative environment we've created over the past couple of years has made the class something that makes me look forward to coming to school." - Sophia Brownsword

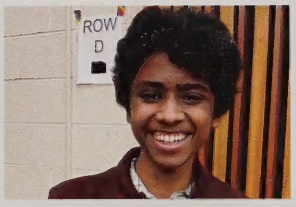
The Walpole High School Photography Club is led by the faculty advisor Mrs. D'Agostino to take and share pictures. They meet every Thursday in Mrs. D'Agostino room after school, and their student leader is Alexandra Richardson. The Photography Club is a friendly, supportive group for students to share their photography with peers that have the same photographic interest for all levels of experience. The themes that they are doing are clouds, water, black and white, shadows, flowers, and a lot more. Also, fun fact Mrs. D'Agostino has been running this club for 5 years; she even ran it virtually through 2020 - 2021 when school was online.

Speech & Debate



Speech and Debate in Walpole has always been and still is a prestigious club. This year, according to Mrs. Murray they "continued to break records and make team history." Meeting every Monday, their mission to provide students with competitive public speaking opportunities. The team earned a 7th place finish at the Holly Festival at Natick High School. Led by Speech President Stephen Bond, the club members attending states with him are Nirjara Akkole, Sara Axelrod, Bhakti Belle, Aditi Chougule, Emeli Cruz, Amritha Devaraj, Francesca Goodsell, Shayna Jain, Mariya Joji, Aayushi Joshi, Blanka Lazri, Aaron Levenson, Matt Mourad, Sarah Mukkuzhi, Favor Nyende, Bridget Ryan, and Tanay Singh.

BEST BUDDIES

The Best Buddies Club aims to have a more inclusive environment at Walpole High School and to create friendships between students with and without IDDs. Staff advisors Kerry Donlan and Jared Stampfl host meetings the first Monday of each month. At these meetings they play games or have an activity and provide snacks, but the main focus is for the students to interact with each other. They have so many different events and fundraisers, such as a Halloween party, robotics activity, holiday movie, and bowling. Outside of these meetings students tend to get more one on one time together. They go on walks, go to Starbucks, watch movies, and play basketball. This club is a great way for students with and without IDDs to come together and create friendships.

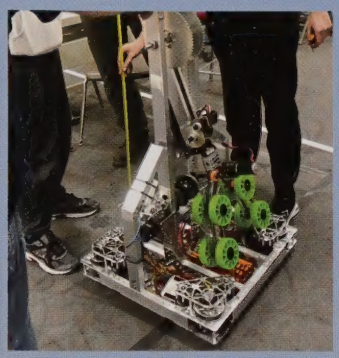
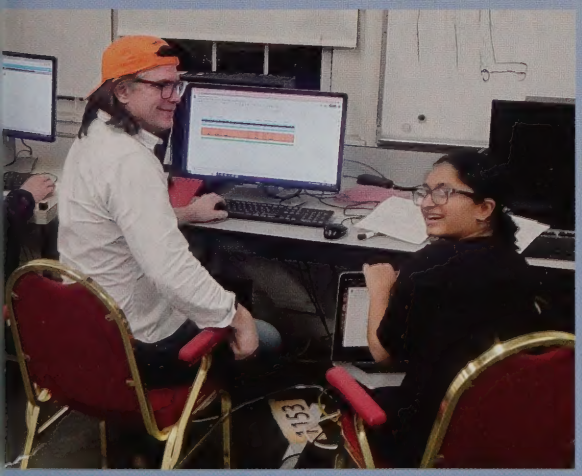
Robotics



The Robotics Club is an opportunity for students to get creative and discover engineering. Throughout their time in their club, students learn the basics of Java, engineering, and a robot vision tracking system. Students run a Lego League at Walpole Public Library for younger kids who are interested in robotics. Student leader Ryan Garbett helped these students score a win at their competition, lead them to the State Championship, and won himself the mentor award. This year's challenge, Charged Up, asks the members to make a robot that can pick up traffic cones and inflatable cubes. This season is the final robotics season for seniors Robert Falvey, Sahyaditya Panchakshari and Ryan Garbett.



CORNHOLE TOURNAMENT

This year, Walpole High's second annual Cornhole Tournament was hosted by StuCo. Members Kevin Needham and Joey Nourse gathered people to help prepare and put this amazing event together. To say it was a success is an understatement. 96 teams showed up to compete and they raised over $1000 for charity. "My favorite memory was seeing the whole tournament turnout the way I wanted it to" Kevin stated. In the end, juniors Ryan Walsh and Nate DiMartinis won the tournament.

POWDERPUFF GAME

On Wednesday November 23rd, both juniors and seniors went head to head in a close match that ended up going into overtime in the Powderpuff game. Coached by Mr. Okolowitcz, the juniors posed a huge threat to Mr. Wall and the seniors with both sides going back and forth on possessions. In the end, seniors came out on top with an outstanding run.

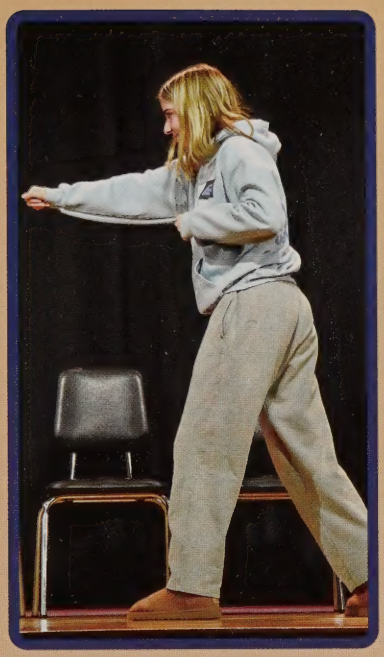
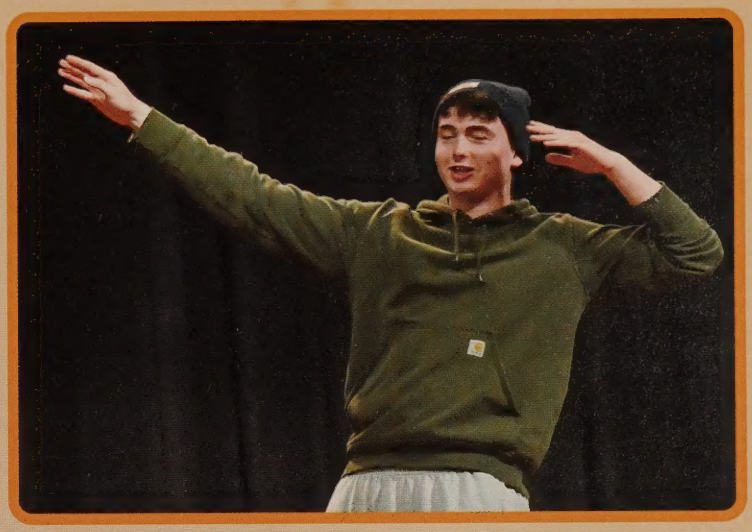
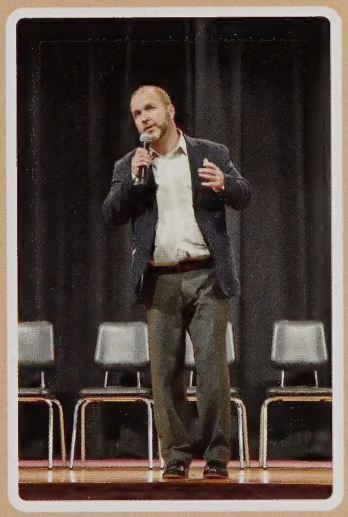
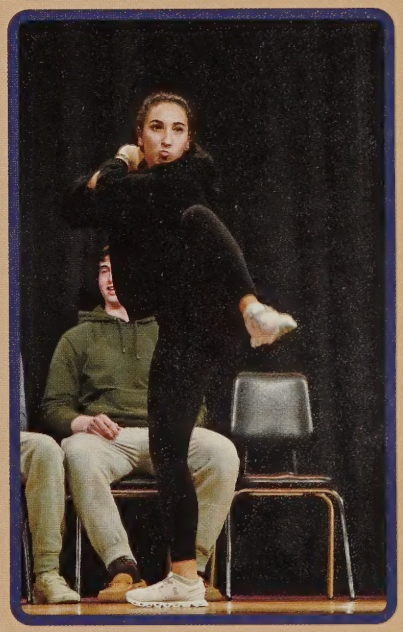
Timberwolf Wednesday was hosted the day before Thanksgiving break. It included three sessions, where students interactively picked activities to attend to with their peers. Activities ranged from cookie decorating, gaming tournaments, coloring, coffee house, ping pong, and movie watching. It is an event hosted to bring together grades and sought to make new friendships and establish closeness within the community.

Hypnotist









This year, a few of WHS seniors got to experience hypnosis by Frank Santos Jr. STUCO helped arrange the whole event as well as participating. STUCO president, Marcus Gurtowski describes his experience as "really weird and indescribable". He explains how he was consciously listening to him but unconsciously doing the activities he was being told to do. Santos had the participants take part in singing, dancing, and altering some of their senses. Some people didn't feel hypnosis worked on them but some can remember feeling like their seats were actually burning up and other changes to their senses. For the audience, it was funny to watch and see our peers go under, and the annual hypnosis has become a new favorite tradition at WHS.

PEP RALLY

Student Council sponsored the Pep Rally and Timberwolf Wednesday. As one of your last choices during the third switch you could attend this event. The gym was split up by grades. The pep rally was created to bring school spirit. The games were played by students. Those groups were chosen based off of fall clubs and sports. Some of the games played were Hungry Hungry Hippos, Pie eating competition, Musical chairs, and lots more!

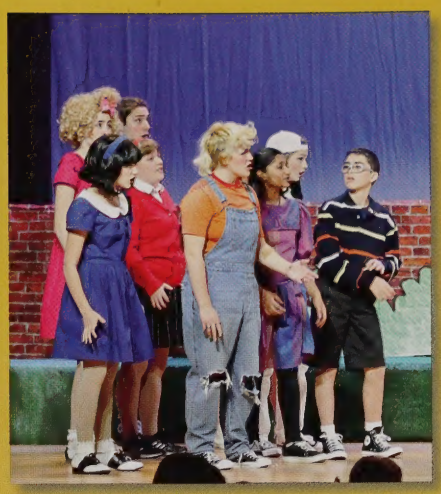
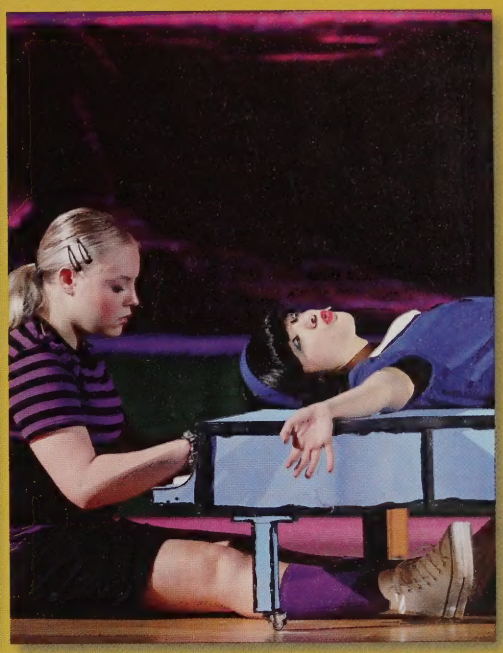
YOU'RE A GOOD MAN, CHARLIE BROWN

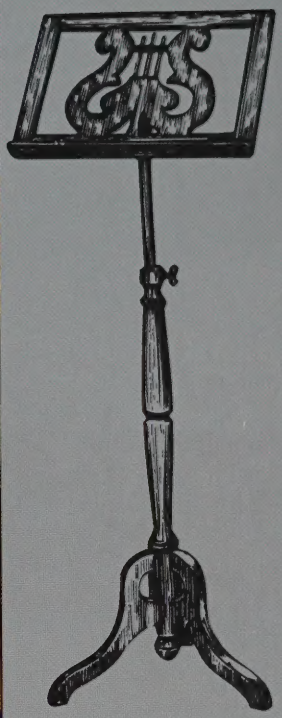




The WHS Drama Club presents their fall musical You're A Good Man Charlie Brown, a show which follows Charlie Brown and the Peanuts gang as they explore life's great questions. They play baseball, struggle with homework, sing songs, swoon over their crushes, and celebrate the joys of friendship. The Drama Club also says goodbye to their fellow senior members who have put in hours of their time to make their final show a good one. At the same time, the underclassmen step up to the plate and follow in their fellow seniors footsteps. The Drama Club has welcomed Ms. Nutting as their new director with open arms. Taking one final bow are seniors Stephen Bond, Zoe Jagelski, Emma Ledwith, Aden Levenson, Brianna Mushlin, Teghan O'Connell, Bridget Ryan, and Mckenzie Walsh.

Winter Concert

The Winter Concert is an opportunity for students in the Jazz Band, the Choir, the Orchestra, and the Band to show their musical skills to the audience. They perform music from genres such as pop, film music, theater, and holiday music. Each group plays three to four pieces of music. Mr. Bedrossian, orchestra director, expressed how hard these four groups worked when he said " We typically start rehearsing our music in early September, in order to get all of our music prepared to a "concert ready" level." These students put in their best effort, and are productive to make sure their songs sound perfect for concert night.



SPAIN TRIP

Walpole High School hosted a trip to Spain, which took place during the 2023 February break. The trip was headed by Mrs. Bacon and Mr. Sturges. On the trip, students along with leaders, visited many places like Madrid, Toledo, Granada, Sevilla and Malaga. Junior Lily Donnelly stated, "You'll have a more fun traveling experience if you keep an open mind to new experiences." Some of those new experiences were trying dishes like tapas, paella, gazpacho and other amazing Spanish foods. Many of the students, like Lily, "never visited Europe before this trip so [they were] excited to travel to a whole new continent. [They] also wanted to improve on [their] Spanish language." Overall, students enjoyed learning a lot about Spanish culture.

Thailand Trip

This year Walpole High School took a service trip to Thailand, which was a great experience for all of the students involved. The students started at a local Chiang Mai school with a very poor lunch program. They built them eight vegetable beds to grow, eat, and sell their own healthy foods. Students also helped to bag 800 bags of mushroom soil; and planted 20 guava and lime trees. Then for a later service project they planted large banana trees for a family that lived and cooked for the elephant retreat they visited. They also helped the elephant retreat by chopping up lots of sugarcane and making healthy vitamin balls for the elephants to eat. They made lots of great memories: they rode Tuk-Tuks on one of their first days in Bangkok, hung out with local kids from the school, and made mushroom bags with the kids. Even though the language barrier made communication difficult, the WHS group found ways to bond and work side by side with the locals at the school. This trip also gave them a great opportunity to try many great foods. Such as fried oysters, sticky rice, and fresh watermelon. For many of the students this was a once in a lifetime opportunity spent extremely well.

Coffee House

The Walpole High School Coffee House, is hosted by chorus teacher Ms. Nutting. The Coffee House is an open mic night where talented musicians play instruments either as a group or solo, and occurs twice a year in the WHS cafeteria.This is open to all students and faculty who want to perform.

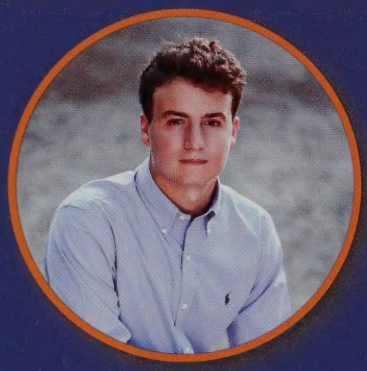
Jason Finkelstein



Jake Preto

Walpole Baseball, led by Coach Costello, finished a challenging season with a record of 12-8. While the team started the season with some losses, their hard work and perseverance allowed them to "turn it around and win some key games" according to senior captain Jason Finkelstein. Another senior captain Matt Bianculli, explained that the teams dynamic has "provided them with a lot of depth compared to other teams". Bay State League All Stars Jason Finkelstein, Matt Bianculli, and Alex Hee helped build up the team's confidence as they head into the tournament. The boys finished their season in round 16 of the tournament.

Softball

Mackenzie Evans

Lindsey Jacobs

Abigail Kearns

The Softball Team had a spectacular season reaching 7 in the power rankings. Led by senior captains Abby Kearns, Kenzie Evans, Lindsey Jacobs, and head coach Rachel Sprague, the team was able to pick themselves up after the first game loss against Abington to go undefeated in the Bay State Conference. Kenzie Evans attributed their success to the "team's connection that transfers onto the field and allows [them] to play so well together." The team partakes in many bonding activities such as a pre-practice breakfast at Country Kitchen, a surprise adventure to a Boston University softball game, and their second annual Cinco De Mayo team dinner. The girls pride themselves on always having great energy during games complete with organized cheers and walk-up songs so catchy the other team can't help but dance. The team entered the tournament as the 6th seed. Five seniors took their final lap around the bases: Brookie Arena, Kenzie Evans, Lindsey Jacobs, Abby Kearns, and Veronica Ryan.

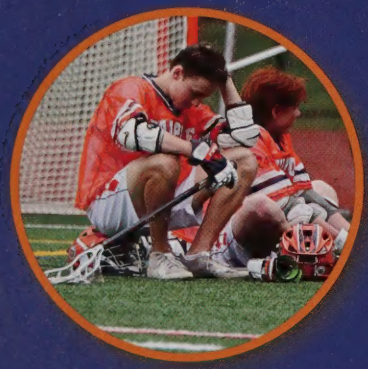
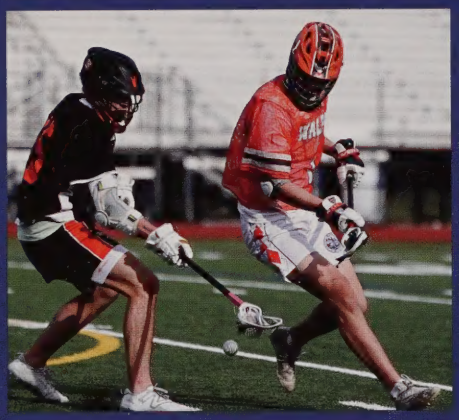
Boys Lacrosse

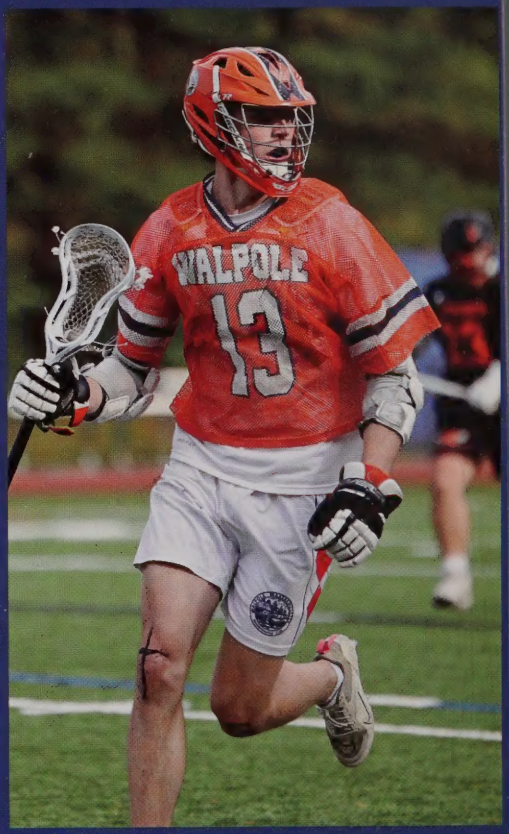
Max Collins

Sean Moriarty



In this past season, the Boys Lacrosse team had to deal with both key members of the team graduating and a transfer from Coach Andalo to Coach Shea. That didn't stop them dominating a lot of teams, like Newton North with the final (17-2), and even winning some games against teams that were easily favored to win. The team chemistry was also great this year with every player synergizing flawlessly; furthermore, some players stepped up to save games and facilitate wins like Will Abplanalp and Justin Hutnick. With their 11-7 record and 8th seed going into playoffs, the Boys Lacrosse team has a more than likely chance of beating Masconomet in the first playoff game and going far afterward. The boys finished up with the tournament in the final 8.





Spring 2023

Girls Lacrosse

Bridget Welch

Emma Caulfield

Hailey Brigham

This year's Walpole Girls Lacrosse was a young team who was hoping that their new players could use their athletic experiences to step up, which they did. For instance sophomore Caitlyn Naughton scored 5 goals in multiple games, which helped the team earn 5th in power ratings. The team credits their success to their relentless effort, good relationships, and team work. Early in the season, they beat undefeated Foxboro, which helped propel their team to a winning regular season record of 16–2. The team entered the tournament seeded 4th. Seniors Brigid Welch, Emma Caulfield, Rachel McDonough will continue their lacrosse career in college next year. The girls ended their season in the final 8 of the tournament.

Arjav Akkole

The Boys Track team stays motivated through the mentality of their coach, Corey Coogan, as he reminds them to keep getting better day in and day out, and if each athlete takes one step forward in the right direction, then the team is already better than it was the day before. The sport requires consistency each and every day in order to pay out for both individual and team success. According to senior captain Kieran Stover, one of the team's greatest accomplishments this year was winning against vigorous powerhouse Brookline with a score of 73-63. Walpole is known for its javelin team, which has outscored BSC teams 60-3 in the last two seasons combined and includes BSC champion Matt St. Cyr and their relay teams. The team's Spring Medley Relay team of Austin Feener, Matt St. Cyr, August Ahmed, and Sean Kerin qualified for New Balance Nationals, and the 4 x 100 team of Brady Thynne, Austin Feener, August Ahmed & John Daher won the Division 3 State Championship.

Girls Track

The Girls Track team, led by coach Fiona Murphy, started their spring season with a win against Weymouth and worked their way up to end off the dual season with a 3-2 record. Junior Captain Angela Crognalo-Torrez wanted to give a shout out to freshmen Vicky Terzyiska, and Caisa Lisa Byerly as both of them have been very versatile for this team this season and have grown a lot over the course of the season. What brings this team together is spending so much time at practice together. The people that broke records from this season are Grace Ryan in Javelin with 118'8", Sophia Axelrod who reset her own discus record with 127'11", and Regan Hegarty with the program's first ever pole vault record at a height of 7'6". Sophia Axelrod and Grace Ryan are the Division 3 State champions with the record of 126'2" and 118'2".

Unified Track

Callie Ofgant

Sophia Theofilou

The Unified Track team at Walpole High School is a great program. The team takes part in field events such as javelin, shot put, and long jump. They also can choose to participate in the 100-yard, 200-yard, 400-yard, or 800-yard dash and relay races. This year, the team has 6 seniors graduating. Senior captain Callie Ofgant says, "Everyone stands out in their own way!" This team is very positive and welcoming. They did great at their first home meet, and other teams could not believe how good they were. The whole team ran amazing, and they all had fun while doing it! Coach Ferro states "Finally, there are never any low lights at Unified Track."

Boys Tennis

Marcus Gurtowski

Will McLellan

The Walpole High School Boys Tennis team, led by captains Marcus Gurtowski and Will McLellan, showcased a level of skill this season that left their coach, Shawn Gough in awe. Their hard work and dedication this summer became a driving force to their successes in the season. The team dominated the court game after game, completing the season with 9 wins and 4 more winnable matches. In a tough match against Brookline, top doubles, Michael Boland and Will McLellan, almost got them their first varsity point in 10 years, While Marcus Gurtowski and Lawrence O'Toole persevered to earn the team their first ever Junior Varsity point. Doubles partners Will McLellan and Nibodh Jogam, also played a part in the success of the team. They finished off their season in round 16 of the tournament.

Girls Tennis

Ameya Gora

Caitlin Rocha

Saisha Singh

The Girls Tennis team worked together to complete a successful season. The team was well balanced with each player stepping up to take responsibility for their respective events. Top doubles of Ivy Li and Aneesha Sirivella along with top single Ameya Gora helped the team won against tough competitors like Framingham and Braintree. Sophomore Nirjara Akkole also shone with a few three-setters in the season. The team finished their season in the tournament against the #1 seed. The team will be graduating Ivy Li, Grace McCullough, Grace Mortali, Lauren Ringler, and Caitlin Rocha.

Girls Golf

Aine Corrigan

The Walpole Girls Golf Team started off their 2023 season unsure of the outcomes as they only had 4 returning players this year. With 5 freshmen joining their team, the young team needed to develop and work hard for a successful season . They started off with their first win against Needham, and it only went up from there. The highlights of their season were placing second at Bay States with all four of their players being named All-Stars of the conference and becoming Bay State League Co-Champions after defeating Wellesley in their last match. They finished their season with a great record of 11-1. The team qualified for sectionals with a win against Weymouth. Freshman Tori Adams got 10th place in sectionals, earning her a spot at the State Championship at Longmeadow Country Club.

Boys Volleyball

Spring 2023

This year is Walpole High School's first year with a Boys Volleyball Club, with the hopes of it becoming a sport in 2024. Coach Zachary Okolowitcz runs the club and says "What brings the team together is that volleyball is something that the players enjoy doing and that many of the students have not been on a team in high school before." These players are growing their confidence and are looking forward to learning more skills. Their team was able to play in two scrimmages against neighboring towns. Students are excited that they can be part of something brand new at Walpole High.

Spring Concert

The almost 100 students who make up The Concert Chorus, Orchestra, Concert Band, and Jazz Band practiced for four months to prepare for the Spring Concert and the upcoming MICCA festival. Senior soloist Autumn Matthews shined with the Jazz Band's rendition of "All of Me,", Orchestra perfectly executed "Procession of the Sardar," Concert Band artistically performed "Burma Patrol," and the Concert Chorus harmoniously sang "Ocean and Stars". The audience enjoyed all performances.

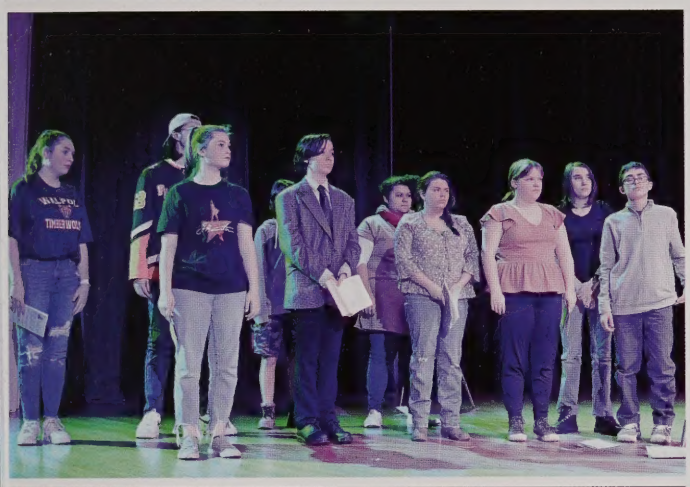
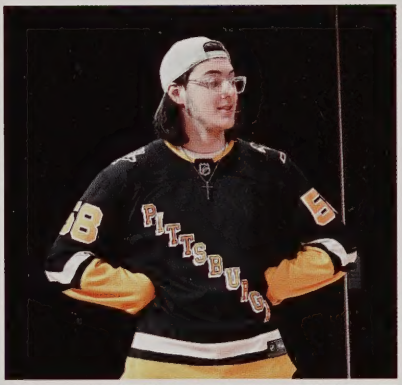
DOUBLE DOUBLE





On March 11 Ms. Nutting and the WHS Drama Club presented Double Double, a show that has the main character Emily tossing and turning as she thinks of awkward interactions of her past and tries to predict the many disasters that are to come. On top of everything, Emily must deal with three immortal witches who are set out to sabotage her high school drama club's production of Macbeth. This all seems horrible, but that´s just the start as the witches send Emily strange visions that will turn her peers against one another. In the end everyone will have faced their of fears of loyalty, anxiety, doom, and Skittles.

Coffee House

Spring Coffee House was hosted by Tri M in the cafeteria on April 28th. It was comprised of about 10 talented musical artists who came together for an excellent performance. It consisted of singers, tubas, ukuleles, cellos, bass, violins, clarinet players, electric guitars, and more. Ukulele player Brookie Arena said when "they handed out Hawaiian leis to everybody, it added a special touch to the whole spirit of the event." The Coffee House happens twice a year, and anybody can perform in it. It is an inclusive event for all grades that brings everyone together through the sound of music.

POPS CONCERT

Photos by Patrick Johnson

This year's Pops Night was Science Fiction themed, and it featured the entire music department including Concert Chorus, Orchestra, Concert Band, TimberTones (an a capella group) and Jazz Band in a relaxed setting. Many of the songs performed were from science fiction movies, TV shows and such. Some were pop songs that are featured in sci-fi media. While the others were cinematic in nature. This event is a fundraiser for the Michael Falker Scholarship Fund in honor of a long-time Walpole music teacher. The funds are used to help students have access to musical opportunities if they need financial assistance.
